ABOUT SLAB

Slab is a lighting design 12 months in the making. Exploring the artisanal quality of mouth-blown glass to dramatic effect, each sculptural piece is distinguished by its unpredictable, elongated organic form.

Available as both Pendant and Wall Sconce, the striking light has been imagined in clear glass with the addition of striking jewel tones, or in Articolo's signature 'effervescent' mouth-blown finish known as Fizi.

LEAD TIME

6 -8 weeks

LIGHT SOURCE

24V 1.8W LED strip
3000K

Requires driver / transformer
installation

Supplied with external driver

Dimmable upon request

WEIGHT

5 kg
